- **Animation 2:** Strengthened hard-surface modeling skills and learned compositing by designing, modeling, rigging, texturing, and animating a vehicle in real-world backdrop; animated character lipsync
- **Animation 1:** Learned environment design and character animation by designing, modeling, texturing, and lighting a room and character; storyboarded, rigged, and animated character in environment
- **Character Design for Animation:** Learned character design by designing several characters and creating character sheets; learned soft-surface sculpting by designing, sculpting, and texturing character
- **Additional Courses:** Game Programming, Movement and Time, Color and Composition, Experience and Interaction Design, Computer Graphics, Web Dev., Fund. of Comp. Sci. 1 & 2, Object-Oriented Design

WORK AND VOLUNTEER EXPERIENCE

Elastic Path | Boston, MA

Video Marketing Co-op | Jan. - Jul. 2023

- Storyboarded, created all visual assets for, and animated three explanatory short videos visualizing marketing scripts
- Created animated clips, edited videos, and created related graphical assets for company's website blog, YouTube channel, digital ads, social media, trade shows, and Gartner Magic Quadrant™ submission
- Edited and created branding for several YouTube series; created templates to enable easy editing of future videos
- Created templates for video assets to enable easy and consistent video editing

Coverys | Boston, MA

Graphic Design Co-op | Jan. - Jul. 2022 (FT) | Jul. - Aug. 2022 (PT)

- Created and designed 24-page interactive brochure with original graphics and animated data visualizations
- Created unique branding materials for presence at U.S. Open including: themed decals, documents, brochures, and signage
- Designed and animated social media templates and posts, blog post and brochure graphics, brochures, email templates, and event invites

Semgeeks | Belmar, NJ

Design Intern | Apr. - Jun. 2020

- Redesigned 100% of sample website independently using Wix; designed mock landing pages and single page sites
- Edited images for company blogs, improved site stability

Around the Corner Art Center | Freehold, NJ

Volunteer Teaching Assistant | Summers 2016 - 2019

- Taught drawing and painting techniques to classes of children
